

Apryll Aileen is a unique passionate songbird. A classically trained pianist, both a singer and a songwriter, she has blessed the ears of thousands of listeners and awed audiences as her fingers graced the grand piano ivory keys.

Apryll has been successful in getting radio play for two of her songs “Butterflies” and “Hey Sugar” and has already had success in TV sync placements - three of her songs will be airing in 2016 on the Family Channel.

On Valentine's Day, in February 2014, Apryll ended her corporate relationship and dedicated her time to pursuing her passion – writing and performing music.

In a short amount of time, Aileen has already played at the Imperial Theatre in Saint John, NB, Canada, the Award Winning Carleton Music Bar & Grill in Halifax and the Mid City Music Lounge in Los Angeles (part of the classic venue ‘The Mint’).

For the past year and a half, she has maintained a residency at the Hilton Saint John playing her original music and entertaining clientele. She has opened for Canadian artists, CBC favorites: Rob Lutes, Lindy Vopnfjord, Dennis Ellsworth & Icelandic music sensation Snorri Helgason (all ticketed shows).

Since June 2014, she has also had the chance to travel all over North America, entertaining on the ivories, from Savannah, Georgia to Puerto Vallarta, Mexico to Los Angeles, California. In August 2015, she played her first festival “Collaborate and Listen”.

"Savannah Soul" - the debut album launching soon, will be the spring-board that elevates her career in North America & beyond. The first official single “Hey Sugar”, will be launching to radio on Friday, Oct. 16th and will be available on iTunes & Google Play
